

TEN YEARS OF PAIN.

Unable to Do Even Housework Because of Kidney Troubles.

Mrs. Margaret Emmerich, of Clinton St., Napoleon, O., says: "For fifteen years I was a great sufferer from kidney troubles. My back pained me terribly. Every turn or move caused sharp, shooting pains. My eyesight was poor, dark spots appeared before me, and I had dizzy spells. For ten years I could not do housework, and for two years did not get out of the house. The kidney secretions were irregular, and doctors were not helping me. Doan's Kidney Pills brought me quick relief, and finally cured me. They saved my life."

Importance of Sleep.

We should get up well every morning. If we do not, we are certain gradually to run behind in our physical bank account. This proves that sleeping is quite as important as eating. The luxury of sound sleep is one of the greatest means given to a man or beast for restoring and invigorating the whole system. No one should allow business or anything else to curtail this luxury, and parents should promote it in children, instead of drumming them out of bed early.—Homeopathic Envoy.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by all Druggists, etc. Take Hall's Family Pills for constipation.

Figures on Divorce Suits.

According to figures compiled by the census bureau at Washington a divorce suit is filed every ten minutes during working hours of court officials, and a divorce granted every three minutes in the United States. This has been the average for the last 20 years, and census officials say the number is increasing at an alarming rate.
